STATEMENT OF INVENTOR TAO HU

Sir:

1. I have reviewed U.S. Patent Application No. 10/520,962, including the claims contained therein. I have been informed by patent counsel that U.S. Patent Application No. 10/520,962 is the U.S. national phase application based on international application PCT/US03/21493.
2. I am an inventor of subject matter claimed in U.S. Patent Application No. 10/520,962, along with co-inventors Naomi Burke Anker, Jeannie M. Arruda, Brian Thomas Campbell, Benito Munoz, Petpiboon Prasit, Brian A. Stearns.
3. I was erroneously not listed as an inventor in international application PCT/US03/21493. The error in not listing me was made without deceptive intent on my part or the part of the inventors listed on the international application.
4. It appears that due to a clerical error only the inventors listed on U.S. Provisional Patent Application No. 60/394,734 (from which the referenced U.S. Non-Provisional Patent Application claims priority) were listed as inventors for the International Application. Only upon review of the referenced national phase application was it noticed that my name was omitted as an inventor.
